Special Press Release

March 2, 2016

It has come to the attention of the National Executive Committee of the Congress for Democratic Change, that there is an invitation or a warrant for the arrest of **Mr. Mulbah K. Morlu**, the CDC's Vice Chairman for Operations. This troubling information is worrisome and has the propensity to undermine our collective Peace and Security. Even in the wake of the national concerns and condemnation against the arrest of activist **Vandalark Patricks**, the government is still pursuing a tactics of political intimidation against opposition actors.

The CDC wishes to inform the Government of Liberia and the Liberian populace that it will avail Mr. Morlu to Liberian Government authorities and as such no attempt should be made to effect an arrest against Mr. Morlu.

Mr. Morlu will be accompanied to the LNP Headquarters by the entire Leadership of the CDC led by Senator Amb. George M. Weah, Sr.

GOD BLESS OUR NATION AND SAVE US ALL.

MUYAH! MUYAH! CDC MUYAH!

Janga A. Kowo, National Secretary General
On Behalf of the CDC National Executive Committee

Motto: One Nation, One People, One Destiny!
