

Press Release

For Immediate release

Monrovia, Liberia, June 1, 2017

On Wednesday May 31, 2017, Montserrado County Senator George M. Weah, Political Leader of the Congress for Democratic Change (CDC) and Standard Bearer of the Coalition for Democratic Change along with his Vice Standard Bearer, Senator Jewel Howard Taylor of Bong County, paid a courtesy visit on the President of Gabon, His Excellency Ali Bongo Ondimba at the presidential palace in Liberville, Gabon.

The meeting which was attended by several high ranking officials of the Gabonese government, centered on discussions about Senator Weah's work as a senator and the challenges the county of Montserrado is faced with. Issues of true democratic tenets and peace within the African continent

also formed part of the discussion.

For his part, President Ondimba of Gabon praised Senator Weah for his continuous efforts towards peace and his courage to continue to fight for his people despite the immense challenges he is faced with. The president went further to praise Senator Weah's efforts and contributions at ECOWAS in ensuring stability within the ECOWAS region. He commended Senator Weah for being a true symbol of African Pride and expressed hope that he will

continue to use his platform as a statesman and his global image as a peace icon to continue to promote peace and reconciliation within Africa and the world at large.
